## **Recommendations for Reform.**

Our 5 key proposals for the next States Assembly:

- **Conduct a review of medicinal cannabis use.**  
Supporting patients and developing expertise.
- **Nurture the cannabis cultivation industry.**  
Maximising the potential of cannabis cultivation.
- **Prioritise the new Drug and Alcohol Strategy.**  
Addressing drug and alcohol consumption.
- **Decriminalise the possession of cannabis.**  
Personal cannabis use should not result in a criminal record.
- **Investigate the legalisation of cannabis.**  
Cannabis legalisation is inevitable.
